TIPS FOR USE

This book may be used in a variety of ways to enhance your music ministry.

1. Use them for simple choir arrangements.

Some suggestions for variety are:

- Ladies sing the melody
- Men sing the melody
- Soloist sing a verse alone
- Soloist sing a verse with the choir “ooing” in the background
- Sing a middle verse in the lower key with altos and/or basses or a soloist
- Sing a verse *a cappella*
- Men on melody, ladies on alto

2. Use them as sight-singing material. People are familiar with the words, but this will give them an opportunity to read new music.

3. Use them with your congregation.

4. Use them as simple arrangements with your youth choir.
