Sales Rep Information

Thanks for your interest in becoming a Sales Rep for CJMedia.

Once you refer a client to us, you automatically become a **sales rep**. There are no fees or charges. You will receive **20%** from work that we do directly for them. (This includes music composition, arranging, typesetting, soundtrax, and studio work in our studio. It **does not** include work that we sub-contract to other suppliers.)

We will work directly with the customer regarding the work, estimates, billing, etc. Once the job is completed and they have paid, we will send your 20% commission check.

When they come back to us in the future, you will automatically receive 20% commission for any additional work. Your name will be attached to their account as their sales rep.
